Wound Care

Introducing NeutroPhase® Skin and Wound Cleanser, a proprietary, FDA cleared, 510(k) skin and wound cleanser made from pure 0.01% hypochlorous acid (HOCl) in saline, **available by prescription**. In vitro studies have shown NeutroPhase disrupts bacterial biofilms and eliminates 99.99% of pathogens in less than a minute.

NeutroPhase® is the only wound care solution that:

- Disrupts Bacterial Biofilm in Vitro
- Is Non – Cytotoxic to Granulating Tissue

It’s the new standard in wound care. Call 1-888-980-9702 or visit www.neutrophase.com to learn more.
